For PhDs & Postdocs of all disciplines

Workshop in Tübingen • 02.02.2023 • 9 am – 5 pm

FROM RESEARCH TO ENTREPRENEURSHIP

Get to know entrepreneurship and intrapreneurship as alternative paths to your academic career. Ignite your innovative potential and reflect your skillset as an Innovator! Practise your entrepreneurial mindset and meet other PhDs or postdocs with great ideas. Reflect on possible motivations, worries and assumptions surrounding both options and meet two role models who tell their stories of founding a startup and becoming a corporate sciencepreneur.

Who we are

Young Entrepreneurs in Science is an interactive workshop programme for PhDs and postdocs to help you ignite your entrepreneurial spirit! Together with your peers, you will learn methods and skills to realise your innovative potential.

Admission is free and no previous knowledge is required.

Workshop Goals

- Introduction to entrepreneurship & intrapreneurship
- Networking and Q&A with role models
- Reflect on your own skillset & find your team's superpower
- Meet inspiring peers and combine your skill sets
